AMENDMENT AFTER FINAL ACTION UNDER §1.116

In the Claims:

Please amend claims 62, 79, 95, 101, 104 and 105 as indicated below. A clean copy of all pending claims is attached after the remarks.

- C'
15
- (62. (Twice Amended) A computerized prepress method comprising:
storing on a server computer system a computerized prepress software system,
wherein the prepress software system includes a [downloadable] document authoring
program downloadable from the server to a client computer, the program having one or
more authoring tools used to [author] create an electronic document;
wherein the downloaded program executes in a web browser of the client
computer and displays the electronic document in WYSIWYG form to the user of the

Certificate of Transmission under 37 CFR 1.8

I hereby certify that this correspondence is being facsimile transmitted to the United States Patent
and Trademark Office (Fax. No. (703) 746-5622) on January 8, 2003.
